uPVC Designer Doors

At DoorsNI we are pleased to introduce our stylish Designer Panel Doors Range. This range offers contemporary designs to suit more modern tastes and improve your home's friendly modern kerb appeal. Our designer panels offer a durable and low maintenance door with all the functionality of the new breed of uPVC doors. Easy to use, robust, affordable and without the issues associated with heavy composites. If you are looking for a door that looks great, is durable and designed for daily living, then our Designer Panel Doors Range is for you.

Warm

- Thermally efficient rigid polymer subframe. Our designer doors use a 40mm insulated reinforced Rava panel as standard (not 28mm).
- Weatherproof tested and double rebated for additional draught-proofing.
- 70mm frame depth with stylish chamfered frame.
- Door frame is a five chambered profile for higher insulation and strength.

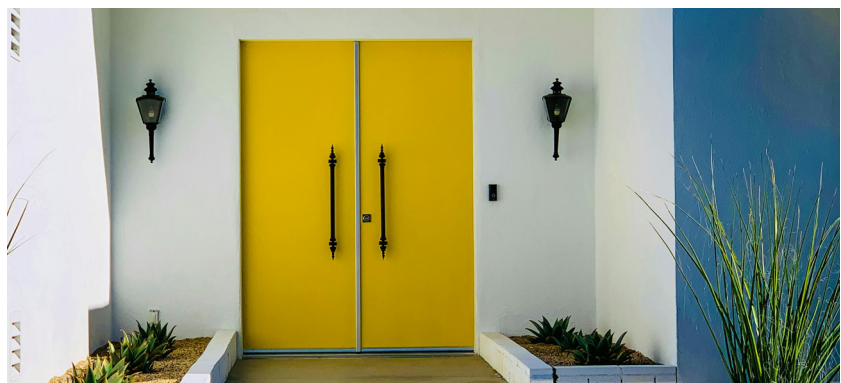

Safe

- Simple robust secure locking with handle options. Upgraded anti-bump, anti-pick, anti-snap cylinder and 5-point locking as standard.
- Laminate safety glass as standard.
- Panels reinforced as standard.

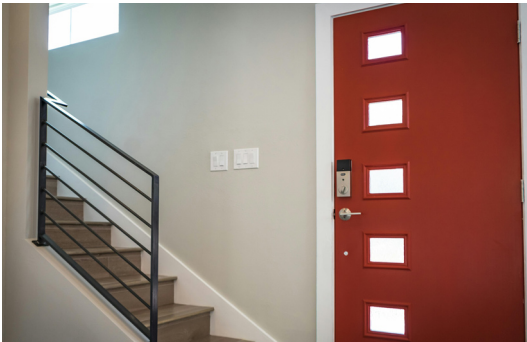

Robust

- Impact resistant Renolit foiled frames and door skins. Never sprayed, so durable and resilient to scratches. Ideal for everyday family living.
- Heavy duty height adjustable hinges.
- Anti-bowing, warping and twisting designed technology.

Designed by you

- Choice of four ranges:
 - H Series
 - Designer Collection
 - Signature Collection
 - Traditional Collection
- Standard and low threshold choices.
- Choice of hardware – lever/lever handles, letterboxes and numerals and more.

Colour choices

- 12 colours.
- All can be dual coloured, with white on the inside.

	White		Anthracite Grey
	Whitegrain		Agate Grey
	Rosewood		Dark Green
	Golden Oak		Blue
	Black/Brown		Chartwell Green
	Cream		Red

Affordable

Our thermal PVC doors start at £1,350 fitted
